LEAD Scholars Program Recipient FAQ
(for University of Michigan-Flint students)

Why did the Alumni Association choose me?

The Alumni Association chose you because you meet or exceed the eligibility criteria for our LEAD scholarship.

- Authorize consideration for scholarships on U-M application
- Be a U.S. citizen or permanent resident
- Enroll full-time at the Flint campus
- Have undergraduate status
- Be meritorious with a GPA of at least 3.5, ACT score of at least 27 or SAT score of at least 1820. Students who do not meet both the GPA and test score thresholds may still be considered.
- Preference will be given to students who can enhance diversity in terms of race, gender, color, ethnicity or national origin

What are my obligations in accepting this award?

You are invited to participate in any LEAD Scholar Community event happening on the Ann Arbor campus, as your ability allows. Additionally, we will provide opportunities to interact with the other scholarship recipients on the U-M Flint campus, at least once during the academic year.

How do I receive the funds?

First, you must enroll as a full-time undergraduate student at UM-Flint for the upcoming fall semester. When tuition is due, the Alumni Association will transfer your award to the Office of Financial Aid, where the University will apply it to your student account.

What do the funds cover?

The funds cover tuition, room & board and/or any fees charged to your student account by the University of Michigan. For more information on current tuition and fees visit [http://www.umflint.edu/admissions/tuitionandfees.htm](http://www.umflint.edu/admissions/tuitionandfees.htm).

Can I renew this scholarship for future years?

Your scholarship is automatically renewed for a total of eight (8) semesters of undergraduate study during the fall and winter terms at the University of Michigan, if you maintain a cumulative GPA of at least 2.0. Scholars are able to participate in co-op positions and/or academic year internships and still receive eight semesters of funding (funds will resume upon your return to full-time status). Please contact the LEAD staff early, if you are considering these opportunities.

How many other students received this scholarship?

Approximately 40 awards are made annually across the three U-M campuses – Ann Arbor, Flint, Deaborn. There will be approximately 135 LEAD Scholars across the three U-M campuses each year.
When was this scholarship established?

It was established in the winter of 2007 by the Alumni Association board of directors for the purpose of continuing to enhance the diversity of the student body at the University of Michigan. In 2008, the board of directors supported efforts to expand the scholarship program to both the UM-Flint and UM-Dearborn campuses.

What resources are available to help me be successful as a student?
