ESSAY:

Your essay gives the committee an opportunity to know you as more than the statistics in this application. We are looking for direct personal experiences and observations with a fresh, original point of view.

Please respond to the following essay topic in a concise one-page, typed, double-spaced thought-provoking essay. We're looking for original thought, not platitudes and clichés. Write your name in the center of the back of the page only.

Will Rogers said, "Even though you are on the right track - you will get run over if you just sit there." Please tell us about an experience in your own life which illustrates a proverb, maxim, or quote that has significance to you.

I certify that all the information I have included in this application is correct to the best of my knowledge and that the essay is my own work, not of another person nor of Artificial Intelligence.

2. Your **one-page** double-spaced essay with your name in the center of the back only.
3. Your **official sealed** high school transcript, which includes the fall 2024 semester grades. You can have them sent directly to me or sealed in your application. Consider your school spring break calendar so that your request gets to us in timely manner.
4. List your spring 2025 classes in progress on a separate sheet.
5. A list on a separate sheet of all the classes that you have taken which are advanced placement or college level work and the AP tests you have taken or will take.
6. A copy of your ACT and/or SAT reports.

Mail to Mrs. Katherine Hartwell, 28375 Elba Drive, Grosse Ile, MI 48138. Applications must be received by midnight Wednesday, April 9, 2025 and cannot be considered if late or incomplete. Please allow time for regular mail service. We have found expedited mail to be unreliable and expensive. Do not send as "Signature required" as there may be no one available to accept it. We're sorry but e-mailed applications are not accepted. Thank you for your attention to detail in making this application. We, at times, have had to disqualify an applicant because the guidelines were not followed exactly, particularly the official transcript requirement.
