GEOGRAPHIC

LINDBLAD

## EXPEDITIONS

May 20-27, 2027 | Aboard the *National Geographic Orion*

**SPECIAL OFFER: 5% GROUP SAVINGS**

## Dear Alumni and Friends,

The Mediterranean conjures images of azure seas, ancient ruins and cobblestoned villages. Maybe you've traveled to this storied region before and experienced some of these sights firsthand. But you haven't fully explored the rich culture of its legendary empires or uncovered its most intriguing hidden gems until you've traveled with National Geographic-Lindblad Expeditions.

We invite you to experience the Mediterranean from a fresh perspective aboard *National Geographic Orion*. Glide through the narrow Corinth Canal and get a closer look at the 300-foot limestone walls rising dramatically on either side. Sail to the front gates of Dubrovnik, approaching its legendary medieval walls in a time-honored way. Go oystering in Mali Ston Bay, renowned for producing some of the world's most delicious oysters. Spot a rare Dalmatian pelican in Divjakë-Karavasta National Park and Zodiac cruise through the limestone arches and caves of less-visited islands like Vis and Kefalonia.

National Geographic-Lindblad Expeditions connects you to the cultures that shaped these celebrated places through the historians and local guides who join us on board. These passionate experts bring silent ruins like the Temple of Apollo to life with decades of experience and knowledge. A National Geographic Photographer will also accompany the journey, offering tips and sharing stories from the field.

Finally, for travelers equally passionate about fine cuisine and active exploration, this expedition is an ideal blend of adventure and comfort. All 53 beautifully furnished cabins and suites feature ocean views, while the ship's expansive deck offers al fresco dining and panoramas of the region's rich avian and marine life.

I hope you will be able to join us **May 20-27, 2027**. To make your reservation, please email [groups@expeditions.com](mailto:groups@expeditions.com) or call 833-985-1261.

Sincerely,
