**ONLY APPLICATIONS OF ADMITTED STUDENTS WILL BE REVIEWED**

*Review & Selection Process*

---

All applications will be reviewed by a panel of UMAC-FW members. All applications will be reviewed after the deadline, at the same time, without preference given to those received earlier than the due date.

Once all applications are reviewed, personal interviews will be scheduled in mid-April. When the selections have been made, the recipients will be notified in early May. The scholarship awards will be presented during the UMAC-FW Spring Banquet in mid-May.

All students who wish to be considered for a scholarship from the UMAC-FW **must** submit all required documents to the University Of Michigan Office Of Financial Aid in order for them to make a determination of the student's level of financial need. The Office of Financial Aid's determination of need is a critical component in the scholarship application process, and a student's application will not be considered without it.

One of the requirements to maintain the scholarship awarded by the club is to make reasonable efforts to attend club events (e.g. annual scholarship banquet and student picnic) when not at school and to periodically thank donors for the financial support and provide a periodic update on their student activities.

The University Of Michigan Alumni Club Of Fort Wayne reserves the right to award scholarships to students in its sole discretion. All decisions by the UMAC-FW Board regarding the scholarship award amounts and recipients are final. The intent of these scholarships is to provide a four-year grant. However, given the donors stipulation that the scholarships be need based, the annual grant may change if need changes significantly. Each year the student must provide updated financial information to the University of Michigan Financial Aid Office so need can be determined.

Best of luck and Go Blue!
