Dear University of Michigan Alumni Travelers,

Travel is an enriching part of our lives, connecting us to new worlds, new friends, and each other. Today, planning a trip requires a plan. At the Alumni Association of the University of Michigan, we've spent 52-plus years planning, perfecting, and executing extraordinary, exclusive trips for Michigan travelers—trips you'd expect from, and for, the Leaders and Best. These adventures will take you beyond an ordinary visit and dive into the culture, history, cuisine, and lives of the locals at your destination.

Here are a few of the highlights you can expect from us ...

Convenience: Our experience pays off. Every detail is planned and taken care of for you; all you have to do is pack your bag. The hard part is selecting where to go next.

Educational Enrichment: All trips include educational content, with some featuring expert U-M faculty and staff traveling with your group.

Exclusive Michigan Explorations: Our tours are limited to 12-24 Michigan travelers, allowing for spontaneous encounters and a great deal of independence wherever your journey takes you.

Safety: Michigan Alumni Travel has been working with tour operators to make sure all of our trips are specifically curated to focus on your safety without detracting from your travel experience.

We invite you to explore the range of our collection at alumni.umich.edu/travel/.

Our travel team is also happy to assist you at 855.764.0064 or alumnitravel@umich.edu.

NOTE: Travel is a member benefit of the Alumni Association of the University of Michigan. Travelers, whether alumni or not, must be members. This includes all family members and friends.

The travel program is totally self-supporting and none of your membership dues or any other Association income is used to subsidize the cost of travel announcements or staff time devoted to alumni travel.

Passengers requiring extraordinary assistance must be accompanied by someone who can, and will, be totally responsible for providing all required assistance.

The safety and well-being of our travelers remains our highest priority. Cruise lines and some other providers of services (as well as, potentially, some countries) require all passengers traveling on our programs to present confirmation of a full COVID-19 vaccination, and, as well, passengers may have to produce evidence of a recent negative COVID test. All our staff are committed to adhering to all health and safety protocols from the start of your trip to the end as directed by the United States Centers for Disease Control and Prevention, overseas health officials as well as those protocols mandated by your cruise company (if applicable) and other suppliers of services. Detailed protocol information tailored to your travel program will be mailed to you along with additional pre-departure information.

PROGRAM HIGHLIGHTS

Discover the Dalmatian Coast

The glorious Dalmatian Coast has a storied history that is entwined with the conquests of the Greeks and the Romans. The name “Dalmatia” appeared as early as the first century B.C., believed to have originated from an ancient Illyrian tribe known as *Delmatae*. The region fell under many rulers over the centuries and today is considered one of the most beautiful coastlines in the world. Its medieval cities and archaeological treasures have been infused with a cosmopolitan energy, inviting visitors to discover mysterious origins that span millennia. Among those enigmas is the tale of one of the earliest known depictions of a dog in an early 17th century painting found in a Dalmatia city—a breed the World Canine Association aptly designated as the Dalmatian.
