CAMP MICHIGANIA

LETTER FROM THE DIRECTOR + MICHIGANIA STORY

Michigania Campers,

On behalf of the Alumni Association of the University of Michigan, I am so excited to welcome you to this place that we love, and that we hope you love as well. We are so happy that you have chosen to spend a week with us at Camp Michigania on the shore of beautiful Walloon Lake.

At Michigania, we welcome U-M alums from all backgrounds and want to ensure that your experience with us is one that you and your family will remember fondly forever. The purpose of this booklet is to help everyone in your party become familiar with our programs and policies. While reading it will never fully duplicate the knowledge you gain in person, it gives you a head start on navigating this wonderful camp.

Alumni-owned since the summer of 1963, Michigania has provided a unique and enjoyable experience to thousands of Alumni Association members and their families. This year, we look forward to continuing the tradition of excellence for you and your family!

Sincerely,

James McRae
Director, Camp Michigania

LAND ACKNOWLEDGEMENT

Camp Michigania resides on the historical and contemporary homelands of the Odawa and Anishinaabe people. Our program has benefited and continues to benefit from access to land originally gained through the exploitation of these people, who were here first and who are still here. We are committed to honoring this land and working with local tribes to take steps toward a more equitable future.

POLICIES

MICHIGANIA COMMUNITY STANDARDS

As your Camp Michigan Camps Council Representatives, we hope to sustain and enhance the camp experience for all families attending camp now and in the future. We would like to remind everyone that Camp Michigan represents a special place for our families, and we hope it always remains a welcoming, safe, and enjoyable place. Your Camps Council fully supports the Camp policies regarding appropriate behavior and expectations of our campers throughout their week at camp and would ask that each family review these expectations. Please feel free to contact your week's representative if you have any input or concerns.

ACCESSIBILITY

Camp Michigan is committed to providing accessible and inclusive camp experiences for all campers. We have a variety of support options and adaptive equipment available for camper use. Please reach out to Kelley Stearns, associate director (wierkel@umich.edu), before your stay to discuss specific needs.

CAMPS COUNCIL

The Camps Council Advisory Board consists of representatives from each week at camp and is a valuable resource for you during your stay. They provide direction and recommendations to the Camp Michigan professional staff, sharing your feedback throughout the summer and at two annual meetings.

ALCOHOL AND DRUGS

Michigan's policy about alcohol and drugs is consistent with state law. In Michigan, the legal age for the purchase, distribution, and consumption of all alcoholic beverages is 21. Those campers of legal age who choose to consume alcoholic beverages while at Michigan must only do so with proper and lawful regard for the rights and safety of others.

It is the responsibility of those who have alcoholic beverages at Michigan to make certain they are not available to minors at any time, including making certain that all alcoholic beverages are stored securely inside their cabin unit (not in common rooms, on front porches, etc.) Michigan is a family camp and should be treated as such at all times. Consumption in program areas and other common areas should be kept to a minimum.

Campers choosing to drink should do so responsibly, with an awareness that inappropriate, alcohol-impaired behavior dangerous to themselves or dangerous/disruptive to others may result in the Camp administration intervening, and possibly asking them to forego the balance of their week at Michigan. In addition, future attendance at Michigan may be denied. The use, possession, or distribution of illegal drugs is strictly prohibited. Campers are also responsible for properly handling and securing prescription medications. Those who violate the law will be held legally responsible for their actions and required to forego the balance of their week at Michigan. In addition, future attendance at Michigan may be denied.

SMOKING/MARIJUANA

The University of Michigan Tobacco-Free University Premises policy prohibits the use of tobacco products in University buildings, facilities, and grounds, as well as University-owned vehicles.

This includes smokeless tobacco products, as well as electronic nicotine delivery systems, which are battery-powered devices used to smoke or “vape” chemical solutions that usually include tobacco.

Use of tobacco products is prohibited on Camp property except in designated smoking areas: on top of hill outside the Education Center and the staff parking lot behind dumpsters.

Individuals who smoke including smokeless tobacco products should do so with regard to the rights of others who do not smoke.

Consistent with University of Michigan policy, the use or possession of marijuana at Camp is strictly prohibited. Camp staff may ask those who violate this rule to forego the balance of their week at Camp Michigania. In addition, future Camp attendance may be denied.

VEHICLES

After unloading belongings at their cabins, campers should park their car in one of Michigania's parking lots. Unless authorized by the administration, cars should not be driven to cabins again until the end of the week. Campers who leave Michigania mid-week should walk to and from the parking lots. Pull carts will be provided at each lot to aid those who need to transport items between their cabin and their car during the week.

BICYCLES

Bicycles may be ridden only in designated areas at specified times. These include the Camp road, west of the North Camp parking

area. Campers are requested to walk their bicycles to and from their cabins. Please ride slowly and use extreme caution at all times!

COURTESY FOR OTHERS

Respect for the rights of others is essential if everyone is to enjoy their Camp Michigania experience. We remind you that sound carries at Michigania (more than you may realize) and many children and adults attempt to sleep early in the evening. If you are being disturbed, we encourage you to make your concerns known. We expect that an appeal for quiet will generate a positive, cooperative response. Excessive inappropriate behavior, as determined by the Camp administration, may require campers to forego the balance of their week at Michigania. In addition, future attendance at Michigania may be denied.

ELECTRONIC DEVICES

We encourage all campers to take advantage of the unique natural environment at Michigania as well as the opportunity to interact with other campers. Therefore, we ask your discretion with electronic devices (such as iPods, hand-held gaming devices, tablets, and cell phones).

DRONE POLICY

Operation of a UAS by anyone on other U-M affiliated properties, such as Camp Michigania in Boyne City, Michigan, is prohibited unless the use is approved by the IASC. The process for obtaining approval is initiated through the submission of an application to the IASC, along with written permission from the Operating Site Property Manager. After review of the application and any supplemental information provided or requested, the IASC will either approve or deny the requested permission. If the IASC grants permission, it will be valid for a specific use and period. If

the IASC or Operating Property Site Manager denies the request, the use will be prohibited.

GLASS BOTTLES

Due to the hazards associated with broken glass, we urge you to bring all beverages to Michigania in recyclable aluminum cans or plastic bottles. If you do find the need to have glass bottles, please be very careful with them, and remember to dispose of all containers in the proper recycling receptacles. Glass bottles are not permitted in the swimming or boating areas.

PETS

Some of our best friends walk on all fours, but we simply don't have accommodations for them at Michigania. Please leave your pets at home with a friend, or at one of our local kennels. Information on these local kennels can be found online or by contacting the Camp office.

Per ADA and Department of Justice guidelines, The Service Dog policy for Camp Michigania campers is as follows:

A written request from a camper to bring a service dog to Camp must be submitted no later than 30 days before the start of the week the camper will be attending camp. The letter must answer the following questions:

1. Is the dog a service animal required because of a disability?
2. What work or task has the dog been trained to perform?
3. The dog should be on a leash at all times, be under the control of the owner, and not be allowed to run loose. This includes the entire camp grounds, hiking trails, beaches, and roads.
4. The dog shall not threaten or disturb

(including barking) any other person, or persons, nor any camp program.

5. The owner must immediately pick up after the dog and properly dispose of any waste.

The Director of Camp Michigania shall have the authority to ask that a Service Dog be removed from Camp Michigania if the terms of the above policy are violated.

RECYCLING AND TRASH

It is the responsibility of all who enjoy Camp Michigania's facility to help maintain its beauty. We ask that you help us be better environmental stewards by ensuring that your trash is placed in proper receptacles in your cabin and throughout camp, and by picking up any litter you may see. Camp Michigania continues to enhance our recycling and composting programs. Trash, recycling, and composting bins will be available in several areas around camp, including program areas, the Dining Hall, and the Education Center. There will also be a recycling bin located in your cabin's common area for easy transport to one of the designated locations around camp. Detailed recycling and composting information is also in your blue books and posted in cabins. If you have additional questions, please ask the staff.

Mixed Recycling includes all plastics, clear and colored glass, and metals. These black bins in blue racks are located wherever there is a trash bin throughout camp. **Michigania staffers sort through the recycling by hand. Please make sure all items are clean and empty!**

SAFETY AT MICHIGANIA

Children will be split into developmental groups based on the needs and number of children in a given week, taking into consideration program and staffing needs. Each group will have their own schedule that they follow throughout the day and counselors to guide them through activities. Parents will be asked to fill out our Youth Information Form to be shared with staff ahead of their week.

ACCESSIBILITY

Camp Michigania is committed to providing accessible and inclusive camp experiences for all campers. We have a variety of support options and adaptive equipment available for camper use. Please reach out to Kelley Stearns, associate director (wierkel@umich.edu), before your week to discuss specific needs and supports for your child.

SCHEDULE OVERVIEW

Programs run from 8:45-11:30 a.m. and 1:15-4:30 p.m. each day. For children 6 and younger, parents are free to sign in or sign out their child anytime during the sessions. 7- to 9-year-olds are free to come and go within the programming sessions.

The morning sessions are made up of three, one-hour program blocks where staff take children to various program areas. The afternoon sessions include structured activities, as well as opportunities for free play and exploration.

OUTDOOR PLAY

At Kids Camp, we aim to connect children to the natural world daily through extended outdoor play and exploration. We will provide natural play spaces with features like mud

kitchens, play structures, sandpits, and water play tables. To set children up for success, please consider packing clothing suitable for all weather conditions, including sun hats, swimsuits, sunscreen, water shoes, sturdy play shoes, and rain gear.

INFANTS AND YOUNG TODDLERS

This group is typically for children ages 2 and under who:

- Are wearing diapers or pull-ups
- Have specific daily nap routines and will nap as part of the daily camp program
- Have specific daily feeding routines
- Are non-mobile, crawling, or early walkers
- Are interested in exploration, independent play, adult-led activities, and open-ended time
- Can go outside for short explorations, walks, and/or playtime
- May demonstrate difficulty when separated from parents
- A lot of the time may require one-on-one attention and care from an adult

This group meets at Kids Camp daily, which is located west of the softball field. Morning and afternoon activities include supervised play, exploration, walks around camp, feeding, and naps. This group goes outside every day (depending on weather), so children should come prepared to explore (sun hat, sunscreen, etc.). We baby-wear and use camp strollers to help our youngest campers explore camp. Parents must provide diapers, wipes, and any specific food for their children. Individual routines will be followed to the best of our abilities, but parents are encouraged to stop by to assist with desired feeding or sleeping routines. Please know that staff members may

contact you during care hours to return to Kids Camp and assist at any point.

Each child will be assigned a cubby to store diapers, wipes, feeding supplies, extra clothes, etc. **All food and bottles must come to Kids Camp labeled with the child's first and last name, contents, and date (example: Ro Stearns, breastmilk, 6/9/25).** We will have supplies to assist you in labeling items at drop off. The Kids Camp building has fridge and freezer space that families have access to, as well as bottle warmers and other baby care essentials. The Kids Camp building always remains open and accessible to families when staffed programs end for the day.

OLDER TODDLERS AND PRESCHOOL

This group is typically for children who are ages 3-4, children entering Preschool in the fall:

- Can recover from separation from parents within 10 minutes and stay engaged with the adults and children in the group
- Will not nap as part of their daily camp programs (can nap at the cabin and join the group after).

This group meets at Kids Camp daily, which is located west of the softball field. Morning activities will be posted in the classroom

in Kids Camp and in the Blue Book. In the morning, this group will visit the various program areas at camp to engage in a variety of activities. In the afternoon, children will play at North Beach. Children receive a snack each morning and each afternoon. Special activities include: exploring the nature center, organized field sports activities, crafts at CAC, and Lead Line at horseback riding.

- Demonstrate stamina for walking to and participating in most camp program areas
- Can consistently stay engaged with the adults and children in the group
- Can carry their own backpacks (if they bring them to camp)

This group meets at the flagpole gazebo outside of the Dining Hall each day. Staff members remain with the children at all times and escort them from one program area to another for morning sessions. It is recommended that children carry a backpack with water, sunscreen, extra clothes (weather appropriate), and an extra snack if desired. In the afternoons, this group visits North Beach, receives an afternoon snack, and participates in additional program area activities.

789s PROGRAM

The 789s program is for children ages 7-9 or entering second to fourth grade in the fall.

For morning programs, 789s meet their group at their first assigned program location on the Morning Activity Grid in the Blue Book.

Sometimes the 789s program is split by age depending on the group size. A dedicated staff member will guide the group(s) between programs, and parents should talk with their kids about what to do when the program ends at 11:30 a.m. Often parents ask their kids to meet them at their cabin or near the Dining Hall for lunch.

In the afternoons, 789s can do any age-appropriate activities listed in the daily special events schedule. The optional staffed afternoon 789 program will help provide structure and guidance for 789s while also encouraging independence and exploration.

BABYSITTING

Campers can make arrangements with staff to babysit any age children throughout the week when staff are off duty. Please be sure to work out hours and wages with staff in advance.

TEEN PROGRAM

Michigania's Teen Program provides fun, supervised evening activities for all pre-teens and teens ages 10-17. Teens have scheduled program time throughout the day for their age group, check the Blue Book for more details. Teens will be divided into three groups, with some activities separate and others where Maize and Blue Teens are together.

Preteens (10-12 years old)

Pre-teens meet in the Long Barn every evening at 8 p.m. for their activity, which may include a hayride, campfire, capture the flag, and more! Staff supervision of pre-teens ends each evening at approximately 9:30 p.m.

Maize Teens (13-14 years old) and Blue Teens (15-17 years)

Both Maize and Blue Teens meet in the Long Barn every evening at 8:30 p.m. for their activities, which may include a hayride, campfire, zip line, teen dance, and more! Staff supervision of teens ends each evening at approximately 10 p.m.

SPECIAL EVENTS

SKITS AND STAFF INTROS

On Sunday nights after dinner, the program staff performs a live skit for all campers, riffing on Camp traditions and welcoming everyone into the spirit of the week. There are song parodies, goofy costumes, and choreographed dancing! Stick around after the performance to meet the staff members!

FAMILY OLYMPICS

At Family Olympics, parents get the chance to cheer on their kids as they play a variety of fun field games. Staff members will guide kids through everything from sack races to water balloon tosses. There are plenty of opportunities for parents and grandparents to join the fun too! This event is all about providing younger campers the opportunity to get silly and earn some prizes.

TRIVIA NIGHT

Stop by the Ed Center for an hour of challenging and exciting trivia for the whole family! Categories include movies/TV, geography, and history, with it all culminating in a “name that tune” round. Teams will write down their answers to be verified by the judges, and awards will be given to winners!

VOLLEYBALL

Wednesday nights at Camp are volleyball nights, so gather at the sand courts by the Dining Hall after dinner and get ready for some competition! Campers will play against staff members in two different games: first, a for-fun volleyball game for beginners and novices, followed by a competitive game for more experienced players. Even if you don't plan to get on the court, volleyball nights are a camp tradition, and it can be just as much fun to cheer your team on from the stands.

WATER CARNIVAL

On Friday afternoon, gather at the Swimming Beach for an outdoor, camp-wide party for all ages! Staff members will lead a program of water and beachfront games, including tug-of-war, a canoe-tipping race, and a sandcastle competition. Dance along with the staff as you enjoy the sun and classic camp competition!

AWARDS CEREMONY

Gather on Flagpole Hill outside the Dining Hall after dinner on Friday for the week's Awards Ceremony! Kids and adults alike will receive their much-sought-after, well-earned awards from each area at camp, presented by the Teens/Special Events staff. It's an exciting, quirky send-off every week, and a great way to guarantee everyone in your family leaves camp with something to remember it by. The awards ceremony is followed by a group photo opportunity for every kid age group!

KEG N' COKE

On Friday nights, campers come together at the Dining Hall for a camper-led talent show. Participants can sing songs, do skits, karaoke, magic, storytelling, and so much more. Check with your Camps Council representative or Keg n' Coke MC (announced during your week at Camp) to sign up!

Charges

There are additional charges for most CAC projects (except morning kids' classes). Prices are posted in CAC and charges will appear on your final bill from Camp. No cash is accepted at CAC. Parents may wish to limit the amount their children may charge per day or week; please speak to a staff member for details.

Kiln Notes

Our ceramic kilns fire to 1900°F. It takes 20 hours for a kiln to reach this temperature and then cool to 100°F when it is safe to unload without damage. Kilns are unloaded at 3:00 p.m. each day. The firing process can occasionally cause unpredictable damage. Our staff members employ best practices to avoid damage but sometimes it is unpreventable. Please be kind.

Finished Project Pickup

Most pieces requiring firing can be picked up the following day at 3:00 p.m.

Raw clay can be picked up on Wednesday at 3:00 p.m.

CAC is open 8:30-9:45 a.m. Saturday morning for project pick up.

Pieces left behind will be kept for two weeks.

Safety

Shoes or sandals are required at all times in and around CAC.

FIELD SPORTS

Morning Classes

Morning field sports classes meet at the softball field. In case of inclement weather, classes will meet in the Long Barn.

Several tournaments, including basketball, bocce, golf chipping, 3v3 volleyball, Bag-O, and table tennis, are scheduled. Check the Field Sports schedule in your Blue Book for specific times and locations, and sign-up sheets for these tournaments will be posted in the North Lounge on Saturday (The North Lounge is located on the North side of the Dining Hall, next to the camp store).

HORSEBACK RIDING

The riding program is designed to offer individuals a chance to experience the enjoyment of being on horseback in a safe environment. Your understanding and cooperation will help make our program safe and fun.

Trail Rides

Trail rides are offered in the afternoons for riders in pre-teens or older. Trail rides are walking rides. Riders must be present to check in 15 minutes before the start time or they will forfeit their spot.

Lead Line

Lead line provides an opportunity for 3- to 6-year-olds to ride a horse as it is led around the ring. Parents are welcome to watch their children and take photos (without flash). Parents may join their children in the ring if they wear closed-toe hard-soled shoes (sandals, keens, crocs, "five fingers" or bare feet are not permitted). No advance sign-up is required.

789 Adventure Rides

Adventure Rides are designed to provide 789s with more opportunities to ride horses and give them the chance to experience riding on the trails. Sign-up is required for Adventure Rides and sign-ups are made available starting at 8:30 a.m. the day before the ride is scheduled. Adventure Rides consist of a short, approximately 20-minute, ride into the woods with a staff member leading the horse the entire time.

Steak Ride (adults only)

This is a longer walking trail ride. Riders must be at least 18 years old. It includes a stop for steak, chicken, or a veggie burger dinner along the trail. Advance sign-up is required. Riders must arrive 15 minutes before the start time.

Lessons and Advanced Experiences

We are actively working towards planning what will work best for our horses and program this summer. Please check in with the staff at the barn once summer starts to learn more!

Sign-Up Procedures

Sign-up sheets for afternoon lessons and trails will be available every morning Sunday through Thursday at 8:30 a.m. Sign-ups for rides that day and the next will be posted. Sign-up sheets include several “secured” spots on trails and lessons (limited by the demands of the activity and the number of horses available for it) and several alternate spots. Alternates will get to ride in an activity if riders in secured spots cancel, don’t show up, or aren’t present 15 minutes before the activity start time. Alternates are at the discretion of

the Riding Staff.

In an attempt to give everyone a chance to ride:

- Campers can sign up one person for one ride at a time. They must return to the end of the line if they wish to sign up for a second ride.
- Campers may only sign themselves up for rides.
- Each camper may only ride once each afternoon unless there is space available after all riders have arrived for the lesson/trail. Therefore, campers who have signed up for a secured spot on any ride and wish to have the opportunity to ride again that day must return to the end of the line and sign up for an alternate spot on another ride.
- Riding staff reserve the right to prioritize campers in alternate spots for a ride who have not ridden yet in the week if campers who have already ridden are listed above them.

Charges

Please check for current prices in the area upon arrival. Please note that children are NOT charged for their morning classes.

ROPES COURSE

Michigania is home to a wide range of different activities at ropes, ranging from team building and challenge games to the high ropes course and zipline. Success comes with the willingness to challenge oneself and take risks within the course's safe and supportive environment. We maintain a challenge-by-choice philosophy, where the camper is in control of the degree of difficulty in which they choose to participate. We offer something for every level of comfort and ability for all ages, each supervised by trained staff facilitators

Team Building and Challenge Games

Michigania's team building and challenge games offer participants a unique opportunity to challenge themselves and experience success through cooperation with others. A group of 10-12 people (you don't have to come with a group) is presented with an "obstacle" or challenging problem. Their goal is to find a solution using different problem-solving techniques, group coordination, and creativity.

The course includes group initiatives and elements such as the Whale Watch, Spider's Web, and more. Great for bonding with other campers and puzzle lovers!

High Ropes Course (ages 10 and up)

Michigania's high ropes course offers participants a chance to challenge themselves in a high-adventure setting. While securely fastened in a safety harness, participants climb, swing, jump, and fly through high ropes course elements such as the Climbing Wall, Octagons, Cargo Net, and many more.

Elements (ages 13 and up)

For our most adventurous climbers, Ropes offers a series of special elements to showcase your skills and bravery. For ages 13 and up, campers can try their hand at the Giant's Ladder, Crate Stacking, and Leap of Faith. Completion of any of the elements results in an award being granted at the end of the week!

Zipline

Michigania's zipline is a fan favorite for all ages. After climbing to the top of the ropes course, campers are rewarded with flying through the trees down the zipline track. The zipline has special times for each age group, along with a family zip for all ages.

Giant Swing (ages 7 and up)

Giant Swing is open to all campers ages 7 and older, making this our activity with the youngest age of entry. Participants are pulled by staff and fellow campers up a pulley and swung through the air. Fun for all ages and a great way to unlock your inner child.

SWIMMING

Open Swim

Starts at 1:30 p.m. daily and closes at 5:15 p.m.

Kid's Grid

Aquatic games and activities for children of all ages and swimming abilities. There will also be games on land for those who don't wish to swim.

Open Adult Swim

Swimmers under 16 years old must pass a Fish test to swim in the third area with the raft (swimming from non-stop freestyle for two lengths and treading water for one minute).

Sailing Lessons

Sailing instruction at Michigania is available on four levels: Basics of Sailing (Introduction), Novice (Zest), Skipper (Hobie), and Admiral (Ensign). In addition, the 17 and Spinnaker lessons are available for more advanced sailors. Please arrive in weather-appropriate gear with the expectation that you will likely get wet.

Lesson Descriptions:

- **Basics of Sailing (Introduction):** Designed for first-time sailors or people who haven't sailed in a while, ages 13 and older. Students are on a larger boat with an instructor and learn how to steer a sailboat and other basics.
- **Novice Lessons (Zest):** Designed for six students ages 13 and older as well as two preteens slots available. This lesson gets sailors sailing on our smallest boats (Zests) with a partner or a staffer. The "Novice" rating is earned upon completion.
- **Skipper Lessons (Hobie):** Skipper lessons are offered for campers ages 15 and older who have earned their "Novice" rating and are interested in learning to sail a Hobie. Lessons take up to one hour and cover how to rig a Hobie Getaway and the differences

between sailing a Hobie and other boats. The "Skipper" rating is earned upon completion.

- **Admiral Lessons (Ensign):** Offered for proficient sailors with a "Skipper" rating, this lesson focuses on the additional knowledge required to rig and sail the Ensigns — our largest, keeled boats, sail away from and back to the mooring and provides a good deal of practice on the water. The "Admiral" rating is earned upon completion.

Ratings and Quizzes

Experienced sailors can bypass full lessons by completing the appropriate quiz for the class of boat they wish to sail.

Advanced Lessons

In addition to our basic lessons, we offer a 17 lesson and a spinnaker lesson to those with an "Admiral Rating."
