ANCIENT TRADITIONS OF JAPAN'S INLAND SEA

From the ethereal temples, jewel box pagodas, and shogun castles of Kyoto to the latticed merchant houses of Hagi's earthen-walled samurai district, Japan's ancient cities and towns evoke a storied legacy rooted in religious rituals and spiritual symbolism. This 12-day, 10-night land and sea voyage takes you to some of the most iconic sites along the Inland Sea of Japan and South Korea, featuring a seven-night, all-inclusive cruise on a 5-star small ship. Explore the breathtaking grounds of stunning Himeji Castle, a feudal fortress that dates to the 15th century. Watch the Great Torii Gate appear to float on water on a visit to the sixth-century Itsukushima Shrine on the island of Miyajima. Marvel at the "living paintings" at the Adachi Museum of Art—a 20th-century fusion of modern Japanese art and spectacular garden landscapes. Learn more about the economic and cultural significance of the Inland Sea to Japan's history as we cruise to the cradle of the Silla Kingdom in ancient Gyeongju, South Korea. Emmy Award-winning international news correspondent Jim Laurie will join us as guest lecturer for the tour, speaking about his more than five decades of covering this remarkable region on what promises to be a journey to remember.

JIM LAURIE

A distinguished international broadcaster, writer, and media consultant who has witnessed defining moments in Asia's history for more than 50 years, Jim Laurie first visited Japan as a young writer/reporter in 1970 before embarking as a war correspondent in Indochina. He served as ABC News bureau chief in Tokyo in the late 1980s. Laurie's Emmy Award-winning documentary film, *Myths Behind the Miracle*, examined Japan's economic success in the late 20th century and some of the social reasons that it could not be sustained.

TRADITION, CEREMONY, AND RITUAL

A mysterious island nation, one of unsurpassed natural beauty and way of life, Japan and its fascinating culture are laden with ancient spiritual rituals, symbolism, and rich, storied tradition. Tea ceremonies, *Noh drama*, *ikebana* (flower arrangement, also known as *kado* or “the way of the flowers”), *matsuri* (the many seasonal festivals of worship), and classical landscape gardens are just some of the long-held traditions. Look for these different types of gardens: the paradise garden, *kare-sansui* (dry landscape) garden, strolling garden, and tea garden—each with a different symbolic interpretation. Silent contemplation will reveal the lessons of the *kare-sansui* rock garden at Ryoan-ji, Kyoto’s Temple of the Peaceful Dragon, founded in 1450. This garden, one of the most famous in the world, represents the ultimate expression of Zen Buddhism. Legend says that only 14 of the 15 rocks in the garden can be seen at once, and only when one attains spiritual enlightenment does the final stone reveal itself.
