Day 4: Selva Capuzza / Verona / Valpolicella / Selva Capuzza

Tuesday, June 1, 2021

Today, explore Verona, a UNESCO World Heritage Site with a long, colorful history and infinite artistic architectural landmarks. Meet with a local guide for a panoramic tour around the city to view the Renaissance Gates of the 16th century and various Roman monuments.

Then set out by foot for a guided walk along Italy's second longest river, Adige, crossing the 14th-century Castelvechio Bridge—an iconic photography opportunity—toward the city center. Stop for an inside visit at San Zeno Basilica to admire its Romanesque architecture, centuries-old frescoes, and exceptionally detailed 12th-century bronze doors.

Continue on to Piazza delle Erbe, where the courtyard is surrounded by quaint cafés being mindfully watched over by the Statue of Dante, and saunter the cobblestone streets to capture a glimpse of Juliet's balcony.

After lunch on your own, rejoin the group for an inside visit to the Roman amphitheater—Verona's best preserved Roman monument. Once an arena that hosted jousting matches and carnage-filled gladiator games, the current structure—impacted by numerous earthquakes throughout the years—serves as an open-air theater for operas and modern music performances.

Afterward, head north to the hills of the Valpolicella area to meet winemaker Giuseppe Lonardi, one of the best producers of Amarone in Italy. Tour the winery before sampling a few varietals, including Giuseppe's special blend, Privilegia.

After the tasting, take a short stroll through the bucolic neighborhood to a tiny bistro to meet Chef Vittorio. Gather around his kitchen work table while he demonstrates how to create slow-cooked, Amarone-infused risotto. As it's stirred over a wood fire, observe the finer points of making polenta, learn about other seasonal and regional fare, and then enjoy a freshly prepared dinner, featuring the decadent Amarone risotto.

Overnight: Borgo San Donino (B,D)

Day 5: Selva Capuzza / Marano / Malcesine / Selva Capuzza

Northern Italy. Renowned for centuries for the quality and variety of its distinguished grapes, this prestigious, small, family-operated vineyard specializes in classic local varietals. Enjoy a tour of the cellars, wine tasting, and lunch in "la Vineria," featuring the gastronomic products of Trentino.

The leisurely return drive to Selva Capuzza delivers you to the shores of Italy's largest lake, Lago di Garda, in the lively medieval village of Malcesine. Then retire to the tasting room to compare the characteristics of three aged balsamic vinegars followed by lunch, including an array of homemade regional dishes featuring various Aceto vinegars.

Afterward, stop at beautiful Mantua for an inside visit to Palazzo Ducale, the former noble residence of the Gonzaga family. A UNESCO World Heritage site, this building is one of the most important Renaissance monuments in Italy. Peruse the museum, or venture into Mantua's main plaza for a bit of free time before returning to Selva Capuzza.

This evening, enjoy a light dinner at Cascina Capuzza.

Departing Roncà, make a short photography stop in the walled, medieval town of Soave. View its famous castle, and learn about the town's important regional position and historic

relationship with wine.

Continue to Sirmione—an idyllic resort town at the tip of a peninsula in Lago di Garda. Spend free time roaming the enlivened streets, sip a cold aperitivo at a waterfront café, or peruse the plentiful boutiques for souvenir shopping.

Stop in at Siviano to learn more of the culture at the fishing-net museum. See the owners' vast collection of documents, a permanent display of photographs, and other objects that pay tribute to their roots.

Next, wine lovers will delight in visiting Italy's Franciacorta—a name referring to the territory, the production method, and the vino. Franciacorta is Italy's answer to champagne, and it was the first sparkling wine here to receive the highest designation of quality (DOCG) distinction. This bucolic region with sloping hills overlooks the shores of Lago d'Iseo and serves as our ambiance for a guided cellar tour, wine tasting, and light lunch. In the heart of the area lies the centuries-old Mosnel residence, where guests pass through barrel cellars and history rich caves before savoring a selection of wines defining the house style. For five generations, time and expertise have taught them how to transform grapes.

Later, dinner at Cascina Capuzza features a variety of slow foods—a food movement started in Italy emphasizing an integrated approach uniting the enjoyment of growing, preparing and eating food with responsibility, sustainability, and harmony with nature.

(Itinerary subject to change.)

Activity Level:

Moderate

Activities are generally not very strenuous, however, we expect that guests can enjoy two hours or more of walking, are sure-footed on cobbled surfaces, and can walk up and down stairs without assistance. On the estate, unpaved roads and pathways separate its various structures, and walking is required to get from one building to another and to reach the restaurant. Historic city centers are usually more accessible by foot than vehicle, and sometimes it is not possible for your motor coach to drop you off at site entrances. Due to the structure of some buildings, facilities for the disabled may be limited. Also, dexterity to use kitchen tools and participate in lessons is not necessary, but adds to the enjoyment of this program.

What's Included:

- 7 nights accommodations
- 7 breakfasts, 5 lunches, and 7 dinners served with wine, each incorporating a variety of Northern Italian preparations and ingredients
- All lessons, private tours and tastings, and unique small-group excursions noted in the 9-day itinerary
- Full guiding services of an Orbridge Travel Director and expert local guides
- Private motor coach transportation
- Luggage handling
- Gratuities to Orbridge Travel Director, local guides, drivers, and wait staff for included meals
- Airport transfers for guests arriving and departing during the suggested times

In charge of export, grape harvest, and olive oil production, she is expert in her knowledge of Italian foods and wine. Having owned an Agriturismo working farm in the Siena countryside, she understands what people appreciate most about the significance of Italy's 'slow food' roots.
