Dear University of Michigan Alumni Traveler,

Join fellow alumni and friends as we explore the Galapagos Islands. Designated the first UNESCO World Heritage Site in 1978, the Galapagos Islands have been described as a "unique living museum and showcase of evolution." They are home to a fascinating array of wildlife inhabiting an unspoiled ecosystem, living in harmony with their human visitors.

This exciting journey features a day of guided touring in Quito plus an intimate cruise through the archipelago with up-close access to endemic species. Expert naturalists guide you through the wonders of this national park, whale sanctuary, and marine reserve.

Accommodations for this adventure are aboard the *Isabela II*, a 40-guest vessel with spacious cabins, local cuisine, and a staff dedicated to ensuring both your comfort and maximum enjoyment of this truly extraordinary destination and its diverse inhabitants. And sailing by small ship allows for flexibility in the itinerary to maximize wildlife viewing, as well as access to exclusive ports.

Stateroom availability is limited. With significant savings of up to \$800 per couple, we anticipate this tour will fill quickly, so be certain to reserve your spot today.

Reserve today by phone at (866) 639-0079 or by returning the enclosed reservation form.

Yours for Michigan,

Steve Grafton, President
Alumni Association of the University of Michigan
