

Two exclusive U-M Alumni Travel departures – January 8-23, 2026 & January 18-February 2, 2026

Classic Safari: Kenya & Tanzania

16 days for \$11,896 total price from Detroit

(\$11,095 air, land & safari inclusive plus \$801 airline taxes and fees)

On safari ... it's one of the most alluring phrases in all of travel. And Kenya and Tanzania count among the most alluring places to be "on safari." Join our small group as we travel from grasslands to highlands, to reserves and national parks, and enjoy intimate game drives.

Giraffe roam Amboseli National Park in the shadow of Mt. Kilimanjaro.

Day 1: Depart U.S. for Nairobi, Kenya

Day 2: Arrive Nairobi After arriving in Nairobi, we transfer to our hotel. As arrival times may vary greatly, we have no group activities or meals planned.

Day 3: Nairobi We see highlights of Kenya's cosmopolitan capital city today, stopping for a tour of the Karen Blixen Museum, the one-time home of the Danish writer who, as Isak Dinesen, wrote *Out of Africa*. We also visit the Giraffe Centre, where we see several of the endangered Rothschild's giraffe here up close. Tonight, we enjoy a welcome dinner at our hotel. *B,D*

Day 4: Nairobi/Amboseli We transfer this morning to Amboseli National Park in the shadow of snow-capped Mt. Kilimanjaro, the Maasai's "white mountain" and the world's tallest free-standing mountain at 19,336 feet. Known for its many elephants, Amboseli boasts wide, dry plains also teeming with herds of wildebeest, zebra, impala, and giraffe, as we may see on this afternoon's game drive. *B,L,D*

Day 5: Amboseli Early this morning we visit a nearby Maasai village. Later: game drive and time for relaxing at our lodge in the foothills of Kilimanjaro beneath a copse of feathered acacia trees. *B,L,D*

Day 6: Amboseli/Lake Manyara We travel today to peaceful Lake Manyara National Park, one of Tanzania's smallest and most diverse parks. Bordered by the dramatic Western Escarpment of the Great Rift Valley, Lake Manyara is notable for its abundant birdlife, diverse vegetation, tree-climbing lions, plains animals, and hippos. *B,L,D*

Day 7: Lake Manyara/Ngorongoro Conservation Area This morning we enjoy a game drive at Lake Manyara then set out for Ngorongoro, a UNESCO Conservation Area, International Biosphere Reserve, and site of Ngorongoro Crater, the world's largest intact volcanic caldera. On the crater's floor is Africa in microcosm: grassland, swampland, lakes, forest, mountains, and unparalleled wildlife. *B,L,D*

Day 8: Ngorongoro Crater On our morning tour of the 100-square-mile crater we have our only chance to see all of Africa's "Big Five" – elephant, buffalo, rhino, lion, and leopard – in one place. *B,L,D*

Day 9: Ngorongoro/Serengeti National Park We're bound this morning for the Serengeti, the Maasai's 5,700-square-mile "endless plain" considered Africa's finest park and one of the world's last great wildlife refuges. En route we visit 31-mile Olduvai Gorge, where in 1959 anthropologist Mary Leakey

discovered the 1.8-million-year-old skull of *Australopithecus boisei* – and revolutionized the study of human evolution. Reaching our lodge, we embark on an afternoon game drive. *B,L,D*

Day 10: Serengeti Twice a year, some two million wildebeest, 200,000 zebra, and 300,000 Thomson’s gazelle migrate to new grazing lands between Masai Mara and the Serengeti, sparking one of nature’s most spectacular sights. But the Serengeti’s vast treeless plains teem with animal life year-round, and this is the best place to see lion and cheetah up close. Perhaps we will on today’s two game drives. *B,L,D*

Day 11: Serengeti/Masai Mara We leave Tanzania today, crossing into Kenya and continuing on to Masai Mara by air. Kenya’s premier game reserve rich with animal life, the Mara is the traditional homeland of the Indigenous Maasai people. Known especially for the annual migration that sees some two million wildebeest, plus hundreds of thousands of other plains game migrate here from the Serengeti (Masai Mara being the continuation of the Serengeti in Kenya), the Mara sits in the Great Rift Valley and comprises 583 square miles of vast plains, acacia forests, grass-

We’re sure to see zebra.

covered hills, and slow-flowing rivers. We arrive at our tented camp late this morning then have our first game drive here later this afternoon. *B,L,D*

Post-Tour Extension

January 22-25, 2026 & February 1-4, 2026

Mount Kenya

3 days/2 nights from \$1,695 total price
Single Supplement: \$695

- Gratuities for dining room servers, airport and hotel porters, and driver/guide

Guests on the extension will leave Nairobi on Day 15.

“THERE IS ALWAYS SOMETHING NEW OUT OF AFRICA..”

– PLINY THE ELDER

Day 12: Masai Mara We spend today “on safari,” venturing out on early morning and late afternoon game drives during prime viewing hours. *B,L,D*

Day 13: Masai Mara Again today we’re “on safari,” with morning and afternoon game drives in this reserve that is just slightly larger than the state of Rhode Island. *B,L,D*

Day 14: Masai Mara/Nairobi Today we reenter the urban world as we fly from the Mara back to Nairobi. Tonight we toast our safari adventure at a farewell dinner. *B,L,D*

Day 15: Nairobi/Depart for U.S. After a morning at leisure, we transfer to the Nairobi airport and board our connecting flight to the U.S. *B*

Day 16: Arrive U.S. We reach the U.S. today and connect with our flights home.

Kenya’s native Maasai people
