Dear Dallas Alumni Club Donors,

I feel beyond blessed and grateful to be a recipient of the Dallas Club Scholarship for this upcoming year at the University of Michigan! A scholarship such as yours is just one step forward into a brighter future at Michigan and the world beyond. This generous donation by the alumni here in our community empowers local Dallas students to never give up on pursuing their goals and dreams. The push to study at Michigan nearly ensures success in education and whatever career path your heart desires.

Following high school graduation, I plan to spend the summer preparing and training for the beginning of my fall semester playing on the Michigan women's water polo team. I plan to travel and visit some of the places I've always wanted to go this summer, before my next chapter begins in Ann Arbor. At Michigan, I plan to study exercise science and sports medicine to prepare myself for a successful career I enjoy in the world of sports and physical therapy! Michigan is the best choice for me to continue striving towards my career goals, as well as continuing to do what I love, playing competitive water polo, at one of the best schools in the country for women's polo. All of these opportunities I've been given are beyond anything I could've hoped for, and I cannot begin to personally thank each and everyone of you who are helping me along my journey.

Go Blue!

Sincerely,

Riley Chapple
