WEEK

Virtual Welcome Schedule – 2020:

DAY	EVENT DESCRIPTION/LINK
Saturday	<p>1) WELCOME! Watch this welcome video from Mitch Rosenwasser, Executive Director</p> <p>2) Introduce your family via the email thread, or log in to your Week’s Community - share who you are, who you brought with you, where you’re from and your connection to UM!</p> <p>3) Review the schedule and plan out the activities your family, or members of your family, want to participate in! Consider reaching out to camp friends watching recorded content at the same time, on a video call or meet up for a chat/snack after!</p> <p>4) See the Dining information & inspiration <i>below</i> and plan out a “Michigania Menu” for your virtual week. A Michigania Family Time (meal) guide is also linked below!</p>
Sunday	<p>1) Virtual Staff Skits/Welcome couldn’t live up to skits on Walloon, instead sign-up to be a mentor for a Michigania Staffer! (Here’s a highlight reel from Instagram this past Spring - some of our would-be 2020 staff!) You will also be able to connect with “would-be” 2020 staff in a forthcoming Connect with Staff virtual camp community!</p> <p>2) Make plans to create your own porch party for the BEST PORCH PARTY EVER! Hosted at 5:30 PM ET by Mitch! Bring Your Own Beverages and Snacks... show us what fun you’re having in honor of camp and feel free to bring questions!</p>
Sunday-Friday	<p>On the next page, you’ll find the events/activities that make up this unique VIRTUAL BLUEBOOK Camp Michigania experience. Links will take you to downloads (some are printable!) with information/instructions or to videos with recorded content to guide you in activities or inspire you. Links to online forms will allow you to provide input, submit photos of what you’ve made, and/or videos of you bringing camp to wherever you are! <i>*some of these forms will contribute to an end of summer highlight reel!</i> And lastly, there are some LIVE and comboLIVE events (on Zoom) listed – see the color code - to bring you Michigania magic this week & throughout the summer!</p>

***All activities on Saturday are in “real time,” which is Eastern Time... and for 2020 we WILL NOT be using Camp Time Sunday-Friday. Adjust times listed within for your time zone and set reminders if you need to!*
