

CAMP MICHIGANIA AUTHORIZATION AND WAIVER

I understand and agree, on behalf of the campers in my group, that:

- Camp gives campers the opportunity to participate in a variety of activities and experiences, many of which have **potential and inherent risks**;
- Just being at camp—an environment different from campers' ordinary experiences—creates opportunities for risks of **accidents, injuries, and the unexpected**;
- The campers in my group **will hold harmless the Alumni Association and the Regents of the University of Michigan** (and their employees and agents) for these risks as well as for incidents beyond the Camp's control;
- The campers in my group are responsible for being sure they and their children are in **satisfactory medical condition** to participate at camp and that they have **adequate medical insurance coverage**;
- Camp staff may **take photographs and make recordings** of Camp activities, which may include campers in my group and which may be used by Camp, the Alumni Association, or the University of Michigan for purposes consistent with their missions;
- The campers in my group agree to follow all expectations related to Camp Michigania's COVID-19 protocols, including but not limited to masking, social distancing, food service policies, and only participating in low-risk activities outside of camp, and understand not doing so may result in expulsion from camp with no refund of fees, and not being able to attend camp in the future.
- If I have questions about this form, I will ask the Camp staff before I sign.
